Please contact the camp office at 1.604.869.5386 (June 25 – August 20 only) or email sgibbons@bcadventist.ca at least one week prior to your camp start date if you have any questions or concerns regarding the menu.
- You can send your child a care package - see instructions below. Please be sure it arrives no later than Thursday of their camp week, your child's name is written clearly on the outside of the package. Or leave package(s) with the staff on your registration day, with instructions on what day it is to be given to your child (this is preferred over sending packages in the mail). Packages that do not arrive in time, *may* not be returned to you, depending on staff availability and work schedules.
- TETANUS Shots: Are not a requirement to attend Camp. If your child has an up-to-date shot, then we need to know when that was given. If your child is not vaccinated (or not up-to-date) and has an injury at camp, it will be between you and the ER Doctor to determine whether a shot should be given at that time. Please ensure your contact numbers are all correct.

Thank you for entrusting your child to our care. We look forward to seeing you at camp this summer.
